PUBLIC QUESTION TIME

1. *Village Fete* – Mr Peter Willington outlined to the meeting the arrangements in hand for the Village Fete on 6th July. He additionally thanked the Council for their kind donation of £500 towards the activities.
2. *Colam Lane* – concern was expressed at the state of the roadway at Colam Lane. Councillor Martin will take the matter up with the Highways Department.
3. *Tennis Courts* – a somewhat acrimonious discussion took place on the decision taken by the Parish Council at their last meeting not to proceed with an application for ‘Permitted Development Rights’. The Chairman explained at length that the Council had always supported the application for the installation of tennis courts at the Sports Field, and had additionally supported the tennis club in their appeal. He felt that it was now time to move on and the Council had agreed. This had been a difficult decision but one which had to be taken.
4. *Closure of Tennis Club* – a decision had now been taken to close the Tennis Club that had operated in the Village for nearly 100 years in view of the lack of Courts within the Parish.
5. *Village Green* – enquiry was made as to the present position on this application. The Clerk explained to the meeting that the matter was now in the hands of the Essex County Council who may in due course convene a public enquiry. The Clerk had suggested, that if convened, that the meeting should be held in the Memorial Hall. The regulations prescribed that ‘a significant number of the inhabitants’ should support the application and in this case just over 1% of the population supported the proposal of Dr. Tubbs.
6. *Parking in Chelmsford* – there had been a shortfall in the income received from the use of the Car Parks in Chelmsford and this matter was being addressed. New monitoring equipment was being purchased in order that the Council could forecast the projected and best use of their facilities.
